About the club

East Gosford Football Club is a non-profit organisation with the sole purpose of providing opportunities for Men, Women & Children to play football. An elected committee runs the operation of the club. Elections are held at the Annual General Meeting which is held at the end of each season. The committee conducts a General Meeting on the 4th Monday of each month. The 'Rams' as we are known, are a family oriented club and our aim is to develop well rounded young Australians through the proper football environment which teaches respect, humility, integrity, reward through effort and fair play at all times. We strive to enable footballers to enjoy the game above all else and play with a smile on their face.

What you can expect from your club

We value strong sporting ethics and fair play, and provide opportunities for our members to play and develop their football skills in a competitive and supportive team environment. Opportunities will be provided for the development of volunteer coaches. Equipment will be provided as required and all issues brought to the committee's attention will receive fair and timely consideration.

What the club expects from you

To provide these opportunities, the committee of East Gosford Football Club requires the support of both players and the parents of players. We are ONE club and expect our members to participate in all appropriate club activities. This includes fund raising, being available for rostered duty in the canteen, dressing fields etc. You are required to abide by the policies and codes of conduct adopted by the club and decisions made by the committee such as grading, disciplinary matters etc. You are expected to abide by the rules of the game and show respect to officials, teammates, opposing players, coaches, managers, and spectators. You are to play to the best of your ability.

Note: The EGFC Code of Conduct is available from the East Gosford Football Club website.
